

Thursdays@TIMed

Join us for an interesting and inspiring session with Shri C. Balagopal

Founder & Former Managing Director of Terumo Penpol Ltd.

“BUILDING WORLD CLASS WITH LOCAL RESOURCES”

A story of how he set up a highly successful biomedical venture at Trivandrum to manufacture blood bags with technology developed at SCTIMST.

The story will be an eye-opener to anyone with interest in science-led business.

Know more about him at <http://cbalagopal.com/>
